

UrbanPromise

Taste of Promise: Food and Wine Tasting

EVENT
SPONSORSHIPS

South Jersey's premier food and wine charity event

Join UrbanPromise for a showcase for the area's most distinct restaurants and caterers. The evening will include a sampling of fare prepared by local chefs; wine and beer from around the region and the world; live and silent auctions featuring incredible sports and travel; live music; and a beer garden — all hosted at the beautiful Moorestown Community House. VIP ticket holders will enjoy a private half-hour preview starting at 6 p.m. and access to select fine wines.

100% of event proceeds will help ensure hundreds of children and teens in Camden are engaged in fun and meaningful programming and employment this summer. Your support provides our youth with the opportunity to take part in programs that foster academic, social, and spiritual growth.

For more information visit www.urbanpromiseusa.org/taste.
